Elizabeth,

I occasionally work on projects other than Rosemont, such as Whetstone Ranch near Benson in Cochise County (USACE Permit Number 2003-00826-SDM). As you may be aware, this is coming back as the Villages at Vigneto. My agency is going to send a proactive letter regarding the need for section 7 consultation on the past and/or new action, and I'd like to send a copy to your agency. For what its worth, I am referencing the papers written by the USDA ARS and EPA ORD staffs.

To whom would I cc our letter and what is their mailing address?

Thanks in advance, and have a great weekend.
